

*2010-2011  
Leading the Way*

*Tocqueville Society, Pillars Club, Leadership  
and Fairshare Givers by companies*

United Way of Bradley County depends on the kindness of others to help fund our agencies, programs and services, so we can serve those in need in our community.

Many of those that donate to United Way of Bradley County do so at advanced contribution levels. The three levels of advanced giving are the Pillars Club, Leadership and Fair Share Giving levels.

**PILLARS CLUB** members are those who donate \$1,000 or more to United Way of Bradley County. The Pillars Club is also divided into different levels of giving. In addition, donors who contribute \$10,000 or more become Tocqueville Society members.

**TOCQUEVILLE SOCIETY**, a gift of \$10,000 or more.

**OLYMPIAN**, \$7,500 to \$9,999.

**CORNICE**, \$5,500 to \$7,499.

**TUSCAN**, \$4,000 to \$5,499

**CORINTHIAN**, \$3,000 to \$3,999.

**IONIC**, \$2,000 to \$2,999.

**DORIC**, \$1,000 to \$1,999.

**LEADERSHIP GIVERS** are those whose pledge is between \$500 and \$999, or give at 1 percent of their annual income. Leadership Givers are classified in three categories, based on their contributions:

**GOLD:** An annual gift of \$900 to \$999.

**SILVER:** An annual gift of \$700 to \$899.

**BRONZE:** An annual gift of \$500 to \$699.

**SPIRIT:** An annual gift of 1 percent of salary, not over \$500 for total pledge.

**FAIRSHARE GIVERS** are those that pledge one hour's pay per month. This is equivalent to 6/10 of 1 percent of a person's individual annual salary.

This booklet is designed to give recognition to the thousands who pledged through their companies at the Tocqueville Society, Pillars Club, Leadership Giving or Fairshare Giving levels during the 2010 campaign. They are separated by companies, giving special recognition as well to those businesses and industries in our community that also support United Way of Bradley County.

Many couples donate to United Way of Bradley County through each spouse's individual company. They may combine their gifts to reach certain giving levels. In this booklet, each spouse is listed separately with his or her company, and is acknowledged at the couple's combined donation level. Those who combine their gifts are indicated with an asterisk (\*) beside their names. Spouses listed together both work at that company.

Only Tocqueville Society and Pillars Club members who gave through their respective companies that included additional employee Leadership or Fair Share Giving levels are listed in this booklet. A complete listing of the 2010 Pillars Club and Tocqueville Society membership (along with spouses if requested) is available in the Year-in-Review Report (click on the link).

United Way of Bradley County is also recognizing donors who have been giving to United Way for 10 years or more, no matter the size of the gift. These givers are listed in three categories:

**Legacy Donors:** 25 years or more of donating to United Way

**Heritage Donors:** 15 to 24 years

**Loyal Donors:** 10 to 14 years.

**(Pillars Club and Tocqueville Society, Leadership Giving and Fair Share Giving lists, are based on information given to United Way of Bradley County by local companies. Names are listed as submitted to United Way. Loyal Donors are submitted to United Way by companies and individuals. Every effort has been made to ensure the accuracy of the material contained in this publication. We apologize for any errors or omissions, and if you see any, please contact the United Way.)**
